

**IN THE SPECIFICATION:**

Page 1, please insert the following as the first paragraph:

This application is a U.S. National Phase Application  
under 35 USC 371 of International Application  
PCT/IL2005/000239 filed February 28, 2005.

**Please replace the paragraph at page 1, lines 23-29, with  
the following amended paragraph:**

The relevant prior art is described and claimed  
e.g. in U.S. specifications Nos. 5.167.107, 5.640.834,  
5.942.076, 6.178.725, 6.553.744, 6.582.800 and  
6.659.150. Said specifications described various  
machines, apparatus and methods for solving the above  
problem.
